

Installing Clion in 4 steps

1. Apply for a CLion educational licence with your UWE email address

- <https://www.jetbrains.com/shop/eform/students>

2. Download MinGW from Blackboard

- https://blackboard.uwe.ac.uk/bbcswebdav/pid-7726011-dt-content-rid-19742626_2/xid-19742626_2
- Unzip and place directly on the root of the C drive.

3. Download and install CLion

- <https://www.jetbrains.com/clion/download>
- Install it (tick all the boxes).
- You don't need to reboot straight away.

4. Run CLion

- Find CLion on your system and open it.
- Choose a theme and skip all other customisations.
- Activate by entering the detail of the account you created on step 1.
- Wait for CLion to detect your MinGW install and click "Start using CLion".
